PREPARATION FOR HEALTH SCREENING

Important Notes / Preparation Before the Appointment

1. Please fast for at least 8 - 10 hours before your appointment. You may drink plain water only.
2. Postpone any routine morning medications (except anti-hypertensive drugs) unless otherwise advised by your doctor.
3. For ladies undergoing a mammogram, avoid using deodorant or talcum powder.
   - Bring your previous mammogram films for comparison.
   - The Pap test is best done seven days after the last day of your menstruation.

Items to Bring:

1. Comfortable clothing and shoes for the Cardiac Stress Test (Treadmill).
2. Previous medical reports, if any, especially X-rays, MRI or CT Scan from your last check-up for comparison.
3. Spectacles (if applicable) for your vision test.

How Long Will the Screening Take?

The duration of each health screening package varies. On average, the entire process, including the medical examination by a doctor, will take between 4 - 6 hours, depending on the selected package.

*A complimentary refreshment voucher (for selected health screening packages) will be provided for your enjoyment and convenience.

健康体检前的准备工作
